

Heavy-Duty Hanger for Steam Tunnel Uniform Care!!

Faster Drying! Rust / Tangle-Free! Boost your Productivity!

Uniform Hanger HR (Heat Resistant)

Length: 16.00 inch
Color: Black
Volume/case: 400pcs
Material: Polycarbonate
Hook: Stainless steel
Hook Length: 4.50 inch
Intended use: All types of uniforms

*Allow pants to stay open while drying
---improving efficiency.*

- Made of highly durable polycarbonate, it resists deformation even under high temperatures
-----improving reusability and reducing line trouble.
- Rust-free stainless steel hook for long lasting durability.
- Unlike traditional wire hangers that often bend or break after use, this hanger retains its shape, making it easy to reuse without adjustment or waste.
- It won't tangle or nest like wire hangers, so it can be stored neatly in a reuse hanger caddy
-----streamlining the collection, sorting, and reuse process.
